

DARE COUNTY REGIONAL AIRPORT AIRPORT MASTER PLAN UPDATE

SECTION 1 - INTRODUCTION

1.1 Study Purpose	1-1
1.2 Study Background.....	1-1
1.3 Study Need.....	1-1
1.4 Scope of Study.....	1-1
1.5 Study Objectives.....	1-2
1.6 Study Approach.....	1-3

SECTION 2 - INVENTORY

2.0 Introduction	2-1
2.1 MQI Airport Location.....	2-1
2.2 MQI Airport Role.....	2-2
2.3 MQI Summary of Airport Activity.....	2-2
2.4 MQI Airport Ownership and Management Structure	2-2
2.5 Fixed Base Operator/Special Aviation Service Organization.....	2-3
2.6 MQI Airport Development History/Planning Studies.....	2-3
2.7 MQI Airfield Facilities and Condition.....	2-4
2.8 MQI Terminal Area Facilities	2-9
2.9 NCDOT, Airport Development Plan Criteria.....	2-16
2.10 MQI Airspace System	2-16
2.11 Regional Climatic Conditions.....	2-26
2.12 MQI Airport Activity.....	2-29
2.13 Airport Service Area	2-39
2.14 Airport Property & Land Use/Development	2-42
2.15 Airport Economic Significance	2-45
2.16 Socioeconomic Patterns	2-48
2.17 Market for Schedules Commercial Air Passenger Service	2-53
2.18 Inventory Summary	2-59

SECTION 3 - AVIATION DEMAND FORECASTS

3.1 Introduction	3-1
3.2 Forecast Factors and Assumptions.....	3-2
3.3 Forecasts for Based Aircraft.....	3-4
3.4 Forecast of Annual Aircraft Operators	3-7
3.5 Forecasts of Critical Aircraft.....	3-11
3.6 Forecast of Airport Reference Code (ARC).....	3-13
3.7 Airport Peaking Characteristics (Aircraft & Passengers).....	3-15
3.8 Airport (Airfield) Capacity.....	3-16

DARE COUNTY REGIONAL AIRPORT AIRPORT MASTER PLAN UPDATE

SECTION 4 - FACILITY NEEDS

4.1 Airport Geometric Design Factors.....	4-1
4.2 Runway Length Design Standards	4-1
4.3 Taxiway System.....	4-7
4.4 Taxilane System.....	4-7
4.5 Pavement Strength.....	4-7
4.6 Summary of Airfield Facility Needs.....	4-9
4.7 Airport Geometric Design Standards.....	4-10
4.8 Airport Navigational Aids.....	4-16
4.9 Terminal Area Facilities & Space Allocation.....	4-21

SECTION 5 - ALTERNATIVES

5.1 Impacts Associated with Runway Length Options	5-2
5.2 Airport Layout Alternatives.....	5-13
5.3 Replacement Airport Site Analysis	5-46

SECTION 6 - DEVELOPMENT PLAN

6.1 Purpose	6-1
-------------------	-----

SECTION 7 - AIRPORT LAYOUT PLAN (ALP) DRAWINGS

7.1 Purpose	7-1
Airport Layout Drawing	
Airport Airspace Drawing	
Inner Approach Drawing (Runway 5 End)	
Inner Approach Drawing (Runway 23 End)	
Inner Approach Drawing (Runway 17 End)	
Inner Approach Drawing (Runway 35 End)	
Obstruction Data Sheet	
Terminal Area Drawing	
Land Use Drawing	
Airport Property Map	
Aerial Photograph
